

Use of Video and Audio Monitoring

The Board recognizes that maintaining the safety and security of students, staff and BOCES property is best implemented with a multifaceted approach. To the extent modern technology provides tools to maintain safety and security, the use of technology such as video surveillance cameras is supported by the Board.

Video surveillance may be utilized in and around schools, on BOCES property. Cameras may be equipped with audio recording capabilities as well. Video surveillance shall be in accordance with applicable law pertaining to such use. The BOCES also shall comply with applicable law related to maintaining video recordings.

The Executive/Special Education Director or designee is directed to develop regulations governing the use of video surveillance in accordance with applicable law and Board policy.
